

WORKPLACE GIVING WITH THE BIG ISSUE AUSTRALIA

The Big Issue Australia is an independent organisation that develops and operates social enterprises and creative, sustainable solutions to homelessness; providing opportunities for homeless and marginalised people to positively change their lives.

It's easy to support The Big Issue through Workplace Giving.

Workplace Giving is a cost efficient and easy way for you and your colleagues to support The Big Issue. With your help we can extend our programs and continue to provide mutual benefit to both the vendor/participants as well as the community.

Your donation could go towards initiatives such as the:

- **Women's Subscriptions Program** - development of our new program designed especially to meet the needs of women experiencing homelessness or marginalisation by providing work opportunities in safe, secure and specialised environments.
- **Street Magazine Enterprise** - increase opportunities to assist our vendors through training and support services.
- **Community Street Soccer Program** - provide resources and equipment to the 30 Street Soccer sites being rolled out nationwide.
- **The Big Issue Classroom** - expand our education program giving more Australian students the chance to learn about homelessness and marginalisation.

The Big Issue Australia is proudly non-judgemental and welcoming to all, treating all people with dignity and respect, and promoting independence and self-reliance.

Initiatives of The Big Issue Australia put the person at the centre of the solution, providing them with the support and tools necessary to help themselves make positive change.

As a Workplace Giving donor you'll also be kept up to date with news at The Big Issue and opportunities to get involved in a more hands-on way.
